Congratulations!!

We are excited that you have decided to purchased this Ebook.

As someone who has search the internet looking for my Passion and then realizing that all I needed was assistance bringing it out. It's time to find your passion and get it out into the world so that it can do what it is designed to do, Help SOMEONE!!

5 Steps to Finding Your Passion

LOOKING AT LIST #1

Now that you have a list to choose from, pick at least 2-3 that you would do without getting paid.

This list normally falls into the category of hobbies. or what you do for pleasure. So don't get to hung up on whether or not you have enough picked out from your list.

These topics you will know inside and out.

RESEARCH

This is the fun part, research , this is where you are able to search out individuals that are doing what you wish to do. Google and FB those individuals and ask questions,, the best way to learn is to ask.

Look at different sites and pages. This will give you a better idea of where to start. Research the individuals that have been in the longevity. Ask them, what were some obstacles? Next, search out individuals that have just started in business, ask them about some issues they've had.

Don't be afraid to think outside the box! Don't feel that everything has to be perfect. Getting started and getting finished are the goals.

NARROW IT DOWN

Which would you choose over everything else on your list?

Which one have you been eyeing every since you wrote your list?

This is the one that your heart truly yearns to do.

GETTING STARTED

So now that you have found it, it's time to implement it. Time to write the plan and make it plain, you may enlist a friend or a mentor to get you to where you need to go.

Time to come up with the Name of your Business!

Time to order Business Cards!

Time to get a Website!
